

System requirements

Park-Local is currently offered as a cloud service (web application) and supported by an app for smartphones. To ensure proper operation, please note the following system requirements. Operating systems, browser types or versions which are not listed are obsolete and enquiries about these are not covered by Park-Local AG's support service.

Park-Local web site

Park-Local's website for product marketing is optimised for use with the latest versions of Chrome, Safari, Firefox and Internet Explorer. Problems may arise when using certain features in older browsers. Internet Explorer 9 and earlier versions are not supported.
